Mr. Brian Lamb  
C-SPAN Network  
400 North Capitol St.  
Washington, D.C.

Dear Mr. Lamb,

I am amused that my suggestion to identify more readily the C-SPAN employees on screen as well as those being interviewed has seemingly resulted in much less identity with the possible exception of Steven Scully. As a matter of fact I don't think I have ever seen you identified on the screen.

Well hope springs eternal and I think it would be nice to identify everyone on screen, and not just your guests.

I look with great anticipation to Booknotes this coming weekend and your fifth anniversary celebration. As I have stated before Booknotes is, to me, the most enjoyable and informative thing that you do on C-SPAN. I only wish that I had had cable for all these last five years. At least you have now seen the light and get the authors to sign a copy for you these days.

Most sincerely,
