Dear Mr. Lamb:

Thank you very much, in advance, for presenting the Libertarian Party convention at the end of this month. We need all the help we can get!

You might be interested in the enclosed material. It has been printed fairly often in Libertarian papers. It's called the Nolan Chart because a man named David Nolan dreamed it up.

I might even suggest that you do a show on it, with a live Libertarian to answer questions.

Congratulations on the great work you do in hosting your show.

Yours truly,
