Hey! The girl promoting a program on ^{your today} ~~Hour of~~
Commons, kept saying "COMM @VS" - why?

Love your program! Particularly the one recently
with Les Aspen & others with cogent summary
of present world situation & provocative projection
of the future! They advertised here in the city of

Lkpt. (suburban Buffalo, N.Y.) a program
the dumb-dumbs in control of our cable - Jones

Inter-cable in Adelphi) didn't show - might've
been a book review on famous figure - we set
our VCR to what do you know? We forgot our
dumb-dumb up to Sports from 7 pm - 1 am!

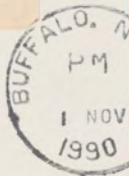

I kid you not! Wish we had a listing (without any
extra over-ambitious monthly tabbing) of C-span!

P.S. Lw: the address on Lw - answer get ALL
in one "flash" on the screen!!
