morning's
show I felt I had to write
and express my dislike and
disappointment with your
new format.

You sit there and read
excerpts from all of these
liberal biased newspapers,
at length (most of them devoid
of fact) and then ask the
opinion of two liberals (it use
to be a liberal and a conservative)
(not any more. — I'm adding
your morning show to the
Ruthe, Jennings & Prohrow
list

I still watch Congress in
action, tho. — Thanks for that

Dear A. Span

After this show I felt I had to write and express my dislike and disappointment with your new format.

I don't buy my local paper,
The Norwich Bulletin, it, too
is liberal biased.

CNBC I watch occasionally.

Your liberal friends can
laugh and scoff at Rush,
but, this man at least gives
us facts, facts we don't get
from the media. He also
has a great deal of
Common, good sense which
is sorely lacking in this
Country.
