

Dear Sis,

O-BK

Pembroke Pines, FL 33027

Last Saturday I saw a program,
it was about Barbara Younger
having a book report about a
book she wrote. The name of the
book was Purple Mountain Majesty.
She was speaking to school children.
As Mrs. Younger has the same name
as I do I would appreciate it if
you could forward my card to her. I
would like to determine if we could
be related. Respectfully,
