

If C-Span wants to nauseate
all liberals put that foeist
Anne Coulter on again.

When you asked her who
her teachers were she gave one
name and then said "That's
all I am going to tell you."
She degraded the air waves,
and enough said when
she admires Jesse Helms,
who should have retired
years ago.

O.W.
R

How could you

inflict her on us/for/so/long?
