

Dear Sir.

I have just watched a small portion of the "Black Holocaust" that was aired April 19, 1994 at Howard University. I have never seen so much racial hatred in my life. You should be ashamed that this country would even allow such crap to be on TV.

After viewing "Unity Nation" I hope many white people see how blacks are and how they think. I, for one, am proud to be a ~~honkey~~<sup>white</sup> ass Honkey! Blacks will never be at peace with themselves or anyone else, they are a

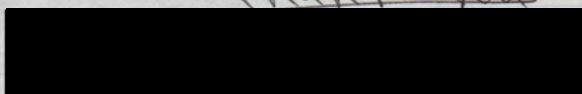

unstable tribal war race  
of people, who will kill  
themselves off, if given time.

This country "rail roads"  
white people for alot less  
than what these Africans  
said. We are tired of  
it. Please give equal  
air time so that the  
KKK, Aryan Nation (YN) skin-  
heads and Neo-Nazi's (FN)  
can express their views  
on C-span also.

If they want a real  
"Black Holocaust", I hope it  
comes soon?

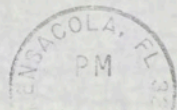

Aryan Nation - sign me  
up?

Thank you
