

Brian

C-Span and you do a great job.

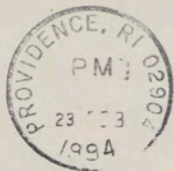

C-Span has good programs about our government, aids, crime, national student town meeting etc.

My complaint is why C-Span is being tainted with the likes of Limbaugh and Farnahan. What they say is ugly, nasty, negative and racist. They do not build a better America for our children or ourselves. People who listen to the two of them are part of them which is ugly, nasty, negative and racist.

P.S. Even the orange juice in the
straw look sour. I wonder
why —
