Dear Sirs:

Thank you for your coverage of the Senate POW/MIA hearings.

As a POW/MIA activist I'm interested in this subject.

You had the Soviet former KGB general on. The next day former NSA analyst Jerry Mooney testified before the Senate panel.

I wanted to see if C-SPAN would show his testimony. I followed your schedule, but didn't see Mooney's testimony listed on C-SPAN.

Could you please run the Jerry Mooney testimony before the Senate POW/MIA investigation.

Regards,
