

Dear C-SPAN,

S-W5

on 6/3 you had a totally ill
informed, so called, Syndicated Journalist,
Mrs. Barbara Reynolds as a guest. She
quoted a, "wag the dog," ploy by President
Bush when Iraq invaded Kuwait and
President Bush was able to unite, Arab
and European nations to expel Iraqi
armies from Kuwait. Mrs. Reynolds
was trying to cover up (equates) "Clinton's
constant, "wag the dog," at a moments
notice, in Clinton's missile attacks on
Sudan, Iraq, and Afghanistan, it took

President Bush (United States) months
to get troops (500,000) and supplies
into Saudi Arabia to oust Iraqi forces
from Kuwait, that is not, "wag the dog,"
to black out NEWS coverage, as Wag
The Dog Clinton does, when NEWS is
going to be unfavorable, against William
Jefferson Slick. Mr Reynolds said, "The

Japanese cut off, oil supplies to the U.S.A.,
leading to the Japanese, sneak attack on
Pearl Harbor, 12/7/41. It was President
Roosevelt who cut off Japan's oil, rubber,

- mineral ores, to halt Japanese aggression
in Asia. Mrs. Reynolds also, demagogued
(lied or just stupid) when she said,

"President Bush's son, made billions of
dollars by fleecing, Savings and Loan
Banks." President Bush's son was found
totally innocent of any S & L, fraud.

The least C-SPAN should do, before
you invite guests (Reynolds) is to
give them a very simple I.Q. test,

Mrs. Reynolds, I.Q. is sub zero. Mrs.
Reynolds also went out of her way,
to blame White people, for every

ill, facing African-Americans. Mrs.

Reynolds was also a Clinton toady,

Clinton can't do any wrong, according to

her. (Reynolds) Mrs. Reynolds is a

Black Nationalist who refuses to admit
any wrongs committed by Black thugs

against Whites. Can you imagine if

America's leading newspapers, listed a

daily review of Black against White

crimes VS. - White against Black crimes?

Blacks commit crimes against Whites at

a 60 to 1 ratio. (FACT)

Sincerely
