Dear C-Span

It was so interesting to see/hear
the author of "Truman" along with other
great writers, sharing comments on
books and bookstores.

It was so sad there was not a
woman author to add another
dimension! Is there available an author of
An inspiring writing of historical/
political significance from a woman's viewpoint? →

I am interested in appearing
on an interview show on the
topic of "multi-sensory learning"
from the view point of a rural
midwestern horse wife!
