C Span.

Why are you promoting
George Bush Senior and
Ronald Reagan, now and
it is not the full truth.
What about Iran Contra?
What about the Pardons?
What about the National
debt? What about the
inflation? They Caused.

S. Amer Pres

Is it to promote
D.W. Bush, who is buying
or trying to buy the Presidency
who has no history before
40. Why? The attitude of
the smug, like you
have no right to ask me
questions.

Get President Bill Clinton
life (all) is on the auction
block ^{for the Clinton Papers} & Truth has nothing.

to do with it.

Why the double standard
the hypocrisy?

How can you trust and
believe these kind of
people ever.

On Morality, Congress
and the Senate are full
of hypocrites.

I'm looking for an honest
person in Washington

who will tell the
whole truth and it's
in no ones pocket.
I see none, and
none coming.

It has become a sad
world.

I am a registered Independent
Wa Republican. No more.

Think about it please.

Sincerely
