Sirs: I'm an elderly
woman born in 1908 & have
gone through WW I — WW II —
KOREA, VIETNAM not to mention
the "shiruses" in Libya,
Panama, & the Central America
"war" — & GRANADA —

MAR 5 - 1990

In my later years I
have become quite cynical —
the sale of Mobil etc — Meritons —
& other "special interests"!! —

I recently watched a program
in which we were taken on a
tour of Iran depicting the
"horrible" consequences of the
eight year war with Iraq.
Crumpled bldgs — blown bridges
Rocks & granite everywhere.

In the two years which
elaped since that war
ended, Iran never even took
a SHOVEL to clean up the
mess ———!

Now we have
IRAQ — showing the world
all the Rubble that the
allies have "inflicted"
upon them in this war —
I GUARANTEE that all the
results of
bombing that we see sent to
us by the eloquent & emotional
Aunt (he is so sorry for the
women & children in various
hospitals) is that of it |
Iranian Iraq WAR |
Can you people SEE that |

Hussein SHOWS off his
so-called victims triumphantly
& sends SCUDS into a
country not involved in
the war & has injured
almost 300 people.

Israel does not show the
people lying in hospitals &
they are framed & don't complain.

Many people are sympathetic
to Israel, but more are
not! JEW BAITING is very popular.

I wonder what the
world would do if Hussein
killed off the Jews —

who would then be the
scapegoat!?? As a Jew I sometimes

think it would ~~be better~~ be better!
be better!!
