A FAX PROTEST MESSAGE TO C-SPAN
AT: (202)737-3323

From: [REDACTED] * FAX [REDACTED]

April 22, 1993

Businesses are leaving this Country, jobs are leaving this Country and America's wealth and well being are leaving along with it. Businesses can't afford to stay here when Government allows, NO - encourages, American businesses to leave for the fifty three cent an hour to a high of \$5.00 a day workers of Mexico. Workers who don't have the protection our Government gives to American workers in the way of OSHA, Social Security, Workmen's Comp, environmental protection, minimum wages, Davis-Bacon, overtime and double time pay, etc, etc, etc.

BUT, C-SPAN DIDN'T ALLOW THE AMERICAN PEOPLE TO HEAR OUR MESSAGE ABOUT THE PROBLEMS OF NAFTA BECAUSE C-SPAN CHOOSE TO SHOW RE-RUNS RATHER THAN ROSS PEROT'S TESTIMONY IN FRONT OF THE SENATE BANKING COMMISSION!

How can any business afford to stay in the United States when their competition has gone to areas where they pay their workers a maximum of \$5.00 a day with NO benefits. How many more businesses will seek the security of low wages and NO Government controls (including paperwork) in Mexico? Even if a worker takes five times as long to produce a product as an American worker, the labor cost in the product is still much, much lower than if produced in America.

BUT, C-SPAN DIDN'T ALLOW THE AMERICAN PEOPLE TO HEAR OUR MESSAGE ABOUT THE PROBLEMS OF NAFTA BECAUSE C-SPAN CHOOSE TO SHOW RE-RUNS RATHER THAN ROSS PEROT'S TESTIMONY IN FRONT OF THE SENATE BANKING COMMISSION!

And on, a n d o n , a n d o n !

BUT, C-SPAN DIDN'T ALLOW THE AMERICAN PEOPLE TO HEAR OUR MESSAGE ABOUT THE PROBLEMS OF NAFTA BECAUSE C-SPAN CHOOSE TO SHOW RE-RUNS RATHER THAN ROSS PEROT'S TESTIMONY IN FRONT OF THE SENATE BANKING COMMISSION!

United We Stand-America does not support the North American Free Trade Agreement, NAFTA, but we will support NAFFTA, the North American FAIR Free Trade Agreement as soon as they add the "F" and the FAIR! That's why one of our mottos is: NAFFTA-YES! NAFTA-NO! And American taxpayers and workers should not be restricted from hearing about the problems created by the FREE rather than the FAIR FREE!

Yours Truly,
