

4/2/96

To C-Span - Journalists Round table -
For Lord's sake - '96 pales already?
It's ridiculous.

Why do you waste our time
over an election 3 years
away when we are in the
midst of trying to solve
today's problems today? Aren't
you interested in the many
serious problems we are facing?
And trying to arbitrate?

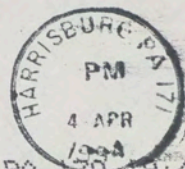

Nineteen hundred & ninety six
is 3 years away! Unemploy-
ment, crime, health care are
Now. Aren't they worth your
debating?

Sincerely,

Chambersburg, Pa.
