Re: Journalists discussion  
today "Why Dukakis  
lost the election"

1- His response to the question  
"What would you do if  
someone raped your wife?"

In my view, he considered  
himself (his integrity and  
self-esteem) too far above  
such an inquiry to honor  
it with a reply.

2- The general attitude in  
American society is dis-  
respect for one another.

It comes across as brutal  
in a campaign -

3- Reagan and his Adminis-  
tration promoted Violence.  
Violence has no mercy  
any time, any place.

4- Every American knew  
Dukakis had a com-  
passionate heart  
when he embraced  
Jesse Jackson before  
the whole world -

5- Satan grabbed the  
opportunity to destroy  
him and so  
Reaganomics continues  
to "sit on the throne"  
in Washington DC

6- as long as <sup>the</sup> American  
people allow this,  
there will be no  
fairness come out  
of Washington.

We will continue to  
observe from day to  
day across these United  
States God's judgment  
being demonstrated.

Will any thing under  
the sun wake us  
from our sleep?

P.S.

Reagan and his gang  
created for America  
a quick-sand trap.

The harder Reaganites  
(Republicans & <sup>so-called</sup> Democrats)  
struggle to save  
themselves the  
deeper they sink
