Harry Brown, Libertarian
candidate for president has
a excellent book on what
he would do if elected to
the Presidency. ^{the} Why Government
doesn't Work, ST. MARTIN'S Press
outlines the
Libertarian position as well
as anyone can. Harry can
explain the Libertarian position
better than anyone. He is a great

interview and a great person. He has been on The New York Times best seller list with two other books and has written 9 altogether.

"How to be free in an Unfree World"

How you can profit from
The coming Devaluation

How to profit from a
Monetary Crisis

You won't find a better Interlocutor
