

C-SPAN, WASHINGTON, D.C.,

Dear Sir:

I am a subscriber to cable TV
(STORER) here in SARASOTA. I
understand as such, I contribute

to your operations
Listen, I'm pretty tired of
listening to you denegrating the
President along with your

henchmen and low-downers.
Can't you join the rest of
us and come along to support
the president for a change?
After all, he's done so much more than
all the Republicans, [REDACTED]
