- ① Please Find out if there was a party system when the Constitution was written?

What we appear to have now is ^{like} two Religions fighting each other.
Democrats + Republicans.

Do we need the waste put into their campaigns?

What if we did away with the party system + their Lobbyists + just voted for the person?

- ② I have requested before but never heard S-span ask why in combat get a pocket of 500,000 to 1,000,000 left over from each campaign?

Who can afford to run against them?

- ③ Why don't Fed. + State employees pay into private health + private pension plans + get off the taxpayers back.

Why should we be forced to pay all their families health dental + optical bills?

Why should they also get paid holidays; + paid vacations.

- ④ The 'Cost of Living' rate went down on Social Security benefits.

Why didn't the 'Cost of Living' rate go down on the Fed. pensions i.e. Sen. Mansfield who got 138,000 in pension in 1990.

II

Why aren't charities + so called churches like The S.A. + Scientology ^{made to} ~~show~~ show their income + expenses; + salaries? + pensions. The Red Cross pays pensions + the gov. gives them money. Why?

Why won't The Red Cross say who gets salaries + how much? What is the coverup.

Why won't They say how much Eliz. Dole will be getting in 1992?

'Scientology' religion bought huge high rise hotels in Clearwater, Fl. + The Tax payee is forced to pay the \$6,000,000 back taxes.

Why don't these people get taxed by IRS; + ST. + Local property taxes?

IF ~~they~~ ~~would~~ ^{they} did we would not have this deficit.

ST. Vincent de Paul's had false Advertising on TV for money to feed the homeless. The money boxes ^{in church} are crammed full for this purpose. IT does NOT come out of ST. Vincent de Paul's.

Please find out if the Board of Directors at ~~all~~ all these charities get salaries + pensions. We need to know!

People donate for the needy; not to 'Live pockets.'
