Dear Mr. Lamb

On behalf of my junior class, I would like to thank you for supporting the Close Up Foundation.

I enjoyed my week at Close Up, and I felt it was more than worth the effort I put into getting there. I thought my discussion group was very special and thought provoking.

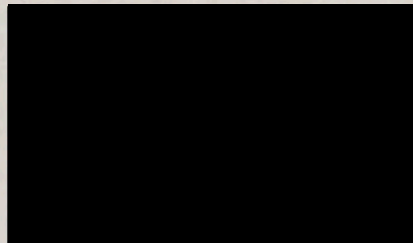

I felt that our day on Capitol Hill was one of the most valuable parts of the trip. I had the privilege of observing a Senate committee meeting and a House subcommittee meeting; both dealing with prominent issues. I also had the pleasure of observing the House of Representatives from the gallery.

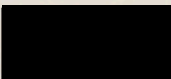

Our group also received much information concerning Israel and foreign aid. We visited the Embassy of Israel and we also were addressed by Rachel Weinberg of AIPAC.

Our Close Up group was completely integrated with the deaf and blind, and I thought that was special. I made friends among the deaf students and I even accompanied them when they visited Galludet University. I became sensitive to the needs of the many handicapped people in the United States.

Thank you for supporting Close Up. I hope you will continue to support it in the future.

Sincerely,

Crawford, Nebraska 69339
