C-Span-

Just watching, as usual,
the "American Presidents" program.
Franklin Pierce today, very
interesting, great guest speaker!
But they all are, I'm enjoying
these programs very much, like
all the callers that call in live.
Just now the host Steve said
you were repeating 15-16 programs
over the July holiday weekend!
Excellent idea! Just had to
write to let C-Span know
that.

I'm also on the internet
late nite looking up the
C-Span web site and www.
AMERICAN Presidents.com. I am
totally involved and I also
have the tee-shirt! Had so
many comments from people
when I wear it to the grocery store!

Thanks again for repeating
the programs, I'm going to be
glued to the T.V. July - 3-4-5th

Looking Forward to all the
programs into December.
