

Dear Brian & All: 8/4/11^{AM} On -
Susan - Love your New Hair - do!
I woke from an unexpected "nap"
in Chair at 1:AM. -- As usual --
Checked C-Span to see "what?" -
before I went to bed (what's a bed?)
Sogled I did... the interviews.. ^{Peret}
I pray the 2 Comp. Contenders &
All their ^{people} were watching... & began
to understand W.I.P. --- thier our
employeess, Not our Masters!! ---
Am so glad I have been right
about P, Admit I did "wonder"
a little If P. was with B, act-
ually; due to all B/media pre-
sure... B, One Scored politician!!
would be So Nice If TRUTH pre-
vaiced in IN Politics!! - Can
that Ever happen? Keep it up.
In This Love,
