

Wash. Jr.) Please review 7/5/99 w.  
With a corrupt Pres. in office &  
how can you allow Liberals to  
lie about Conservatives. The man  
who called in first before 7:00  
A.M. told many lies and  
you let him go on & on. You  
knew they were lies, but you  
didn't shut him off. Also the  
treating of the Wash. Times was  
very unfair - the man did  
not know what he was talk-  
ing about. (what honest man trusts)  
Janet Reno. D.D. D.D.

Tomorrow, you're putting on  
a 2 hr. show about Al Gore.  
How can you do this? Was this  
program supposed to be fair to both  
parties? I'm sure you'll be telling  
us how wonderful he is. I happen  
to think Bush is wonderful! D.D.

WHAT A WHITE WASH FOR AL GORE!!  
And Susan, I don't appreciate your neg-  
ative remarks against Bush. You  
are biased!! No dirt on Gore????  
Liberals are whimpies - they never say  
pathy constantly!!!
