

Dear Mr Lamb;

O. W.)

Your guest Mr Weyrich, I feel was a blessing in disguise. I am Thankful you had a <sup>second</sup> choice to fill in for David Brock. A spark needs a flint and a rock (take your choice). I believe Mr Weyrich is the rock (Truth).

You restored my waning faith in C-Span after the Debates. I did not watch them as I feel ill whenever I hear either Dole/Kemp; Clinton/<sup>?</sup>and what's his name. I watched the program after and it seemed to favor Bill Clinton & Gore (remembered). I'm voting for Perot/Choate. I believe the D. & R. are scared of Choate.
