As I was saying a long time
ago over a some evil doing
I ask him how I could give some
one a lie test. and as those
that is trying to help a little bit
to tell this lie, is saying that
she passed a lie test that is not
so it is no way that she did
it is what you all want the
people to think. a lie test use
to be the one that could tell you
what was true and what was
not true. but if it do no one
will never know it. but the one
that give it to the one. and as I
said a mom knows her child
and if that child is right that
mom can tell you and if that
child is wrong that mom can
tell you. a mom knows her
child. look at both of the mom
you can see who is telling the
true and who is telling a lie

as i has said i am a mom i
had three children the oldest one was
for righter. no one could say he did
nothing to no one. but the other
too was for the song they didn't
like to see what the world was
about i carriage them the hold nine
month. but they was not for the
right. i can tell every one we cannot
hide be kind our children in a long
run it will tell what we did and
what we thought if it good or bad
this is what a lot of us can not
under stand. how far all can believe
onto hill lies one on one no one
never send nothing in a large
place like that. as we all no if any
thing on a job did are said more
then two is going to no it. as far been
sick werries there is a many thing
can werries far on a job. as i
say song is just like a deer it
just going one to another to see who
blive it. so many people has been
harassment the lawyer take the
true and make a lie out of it in

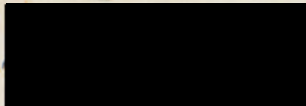

order for you to believe it. but there
is a lot of thing need to be look-
in to. and it is not a lie. these
good old fine lawyer is gone around
telling lies taking people houses
taking people income taxes and
every thing that people has work
for by telling lie like airta bill
some of them is fill bankruptcy
in order to take what one has
maid this is not a lie this is
realy been done and these people
that is for airta bill they believe
if they don't win they can't keep
on taking people houses land
and money and lie and do what
they want to do what they want
to do with it these lawyer is taking
people income tax for their self
as child support these lawyer is
taking that money for their self
and they put these children on S.S.I
and half of the children is not the
man there is so many man
can not has a child. but still
the man got to pay the what you

you want to, every thing is done even before
he was thinking about getting in the white
house is laid on him, and as the people think
they can get in the white by being on bush
let us pray that it don't be like that

Coll is a fine lawyer and this is
not a lie, there are liars there and
no lawyer now there is a lot of her
lie for out of what for has work
for and give it to the one that didn't
work for so they can get part of it
as hill said she come there on
her own that is a lie was she
paid to come there she said no that
is a lie, there are a lawyer in
the world going to get out there
and tell the lies that she told for
nothing as i say it is a war

and it is all over the world any
thing wrong the one that is wrong
want to make you do it, as i send
over the T.V. it was a little white
boy in Cal. he was born to courage
the world of god he went to school
tell them about god the teacher
made him leave because he was
tell them what was right and what
was wrong and there was another one
he did has to get his lesson to no it
as i say it is what we mom put in
these children before they is born
as for these lie told you can fix it like
