

My Lamb,

3/30/94

Being a so called O-Span "junkie" we have observed your performance for a number of years. You may not realize but your image to us & persons who is exposed to the opposite is quite apparent at least to me & my family.

Question - Do you think you are a radical liberal democrat who favors M/ny Clinton?
Did you vote for Gov. Clinton or do you consider that too personal? You are above that question?

Question - Why is it that most of your interview ~~coincident~~ of media that are radical liberal democrats like Michael Kirby, Elanora Clith, & of course Larry King (the opposite to the minority figure, one Ruth Limbaugh)?

My Lamb - Your response to the above.

Sincerely,

M/ny

P.S. My family & I made the mistake of voting for Gov. Clinton, along with the other 43%. Be sure we will not make that same mistake in '96.
