Dear Mr Lomb: -

Thank God for C-span. How
wonderful you are to bring out
the truth about Newt Gingrich.

We all know that The News
Media is biased and to love C-Span
is a blessing for all of us.

I am very fond of Mr Gingrich
I have never met him, but I
appreciate his intellect and his
personality. I would like to see
him as our next President. There are
too many Bushes in our government

I did meet some Eleanor Clift.
as a commentator. She is a nasty
person and I don't think a very good
reporter.

How can the news media be

S. N. News

so biased? I believe they are a
part of the Democrat National Committee.
They all who have printed lies should
make a public apology to the American
People.

I have watched Fox network and I
think they are trying to be fair.

Do you have a transcript of this
program and please send me one ^{if available} and
I will be happy to reimburse you.

Thank you for your honesty
and integrity. It's like a fresh breeze.

Sincerely

Portland, OR 97222
