Dear Bryon,

Do not listen to those  
big mouths bitching about  
the three lines!

They are just mad  
because the Republicans  
can not jam the lines!  
I as a Democrat just  
watching you for awhile because  
all the callers were Republicans.

Nw at least we do get  
in once in awhile.

I had to laugh when he said  
Democrats were loud and Republicans  
were so well manovred. Republican  
can cut to the quick while  
smiling!!  
Keep up the good  
work!

O.W.J

Democrat

P.S.

Byron, Big mouth liar Republican  
Newt - we had to listen to him and  
his Republican Liar all last year <sup>with the 104<sup>th</sup></sup> -  
I had to watch while they made rules  
that left the Democrats out of any debate.  
Voters were shown thru Gingrich  
was so damn sure he had the people  
in his pocket! P.A.C. put out <sup>(in 1994)</sup>  
Congressman in Phil English. Again  
this year <sup>(1996)</sup> English got the Republican  
as they ran all over the U.S.A. English  
went to the gutter to win. He is a  
big Gingrich supporter because  
he is as stupid as Newt.

I hope they kick him out as  
speaker! He does not deserve the  
job. As I wrote to him when he  
took over - why - if you wanted this  
job so bad, aren't you in the Chair?  
Someone else was always there where  
was he - meeting & money in the  
ball?
