Dear Mr. Lamb,

I'm writing to thank you for the excellent program with Mr. Rabinovich. Though I am eager to see an Israeli-Palestinian peace agreement, I am not usually interested by discussions of matters of Israel. This program I found very interesting because of the excellent questions you asked and the clear, concise answers given by Mr. Rabinovich. I learned a lot.

I want to register my approval of the one quest format. As hard as Ann Coulter is to take, this format definitely allows us to hear more callers. And many of us are so tired of listening to politicians and pundits argue. Actually, I'm sick of hearing pundits express their opinions; I really don't care what most of them think. I enjoy hearing knowledgeable people give factual information; I then form my own opinions.

Sincerely,

Ows
