Dear Sir:

I have a question concerning a musical piece that was played on C-SPAN.

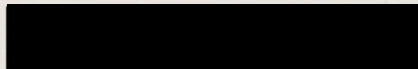

What is the name and of the piece that was played on Sunday, July 19 at 9:17 PM Eastern time, just before the Parliament Channel interview? Who was its composer? I enjoy the piece, which was the ending signature for Question Time prior to the recent British elections.

I enclose a self-addressed stamped envelope for your reply. Thank you in advance for your assistance.

Sincerely yours,
