Dear Mr. Lamb:

I am another one of those people who enjoy having the opportunity to see C-SPAN. I watch on a regular basis. I must compliment you on your style of interviewing and your knowledge of the subjects with which you deal. Your research and range of knowledge is awesome.

I enjoy watching you on Booknotes. I have learned a great deal from your interviews with the authors.

One of the things I enjoy the most is learning about the backgrounds of your guests. I would also like to know the background of your interviewers, including yourself. Would you arrange to do this some time in the near future?

By the way, I want to mention that I think Bruce Collins is excellent. He also seems to have a broad range of knowledge and to be in control of the facts necessary to being able to ask good questions.

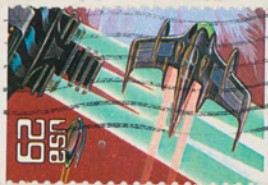

Thanks again for the wonderful programming.

Sincerely yours,

Otis, MA 01253
