I tried to reach you on your live program on Abraham Lincoln but could not get through. I just want to comment on how much I am enjoying your "Presidents" series. I own a book titled, "First Ladies Cook Book" published by Parents' Magazine Press in N.Y. It deals with a history of our Presidents and their first ladies and their meals and traditions (over)

in the White House. I am using This book as a reference when viewing your shows. My book ends with Nixon. I do recommend This book to your viewers. I don't know if it is still available, but it is a great companion to your series.

I do have a request. I hope your series will be repeated in the coming weeks. I did miss the very beginning. In particular, I am interested in seeing the shows on George Washington & Thomas Jefferson.

Thank you.
