I couldn't get through on a line. All circuits were busy.

I am against impeachment!

This hearing is like all hearings lately. Republicans vote right down the line & out vote Democrats. Same as always.

I wonder what Mary Bono (R-Calif.) would say if she had heard Bob Bare (R-Ga.) says, they had better vote for the impeachment because they would be watching, taking names, & would retaliate against them. Robert Wexler will be rising in D-party.
