Christopher Shays - R. Conn.

Eureka! I believe I've found the
second Republican who - ~~as~~ I see it -
perceives the ~~truth~~ and seeks the best
for our country - our world.

Toby Roth, R. Wisc (?) ^{is} ~~was~~ the actor.
Of course, those who think as we do, our
feel are exceptionally intelligent and perceptive.
I appreciate C Span for presenting unbiased -
but in just "A little - old - lady - in tennise shoes"
