If Russia was such a
war threat to U.S. where did the
money go they would have had ~~it~~ ^{(How they been}
have or had to go to war? ^{lying to us?)}

If Russia is second largest producer
of gold in world - why are we
giving them a billion or so? Why
don't we ^{SELL} give for the gold or whatever
else we need? (God knows this country
needs CASH ourselves) (s more)

People are cynical just because
of such nonsense
(Like your program)
Good luck

Would you get a serious discussion on
world wide drug control + ~~stop~~ that ~~land~~ their money?

+ does money really get to proper place?

I know its
sloppy but I
drink type!

(+ I'd like to hear more
of H. Ross Perot -
who is he?
Hear him once -
