I love C-Span ~~1.2~~ ~~1.2~~ ~~1.2~~ the American
people can see a guy like Rush
Limbaugh for what he is — an
Ugly version of America we are
lucky. Most Americans do not
want truth — it causes vetation.
So Rush Limbaugh supplies the
distortions and he appeals to all
that is Ugly in America. He is
dangerous and the "talk show"
manner like his brings no
truth — only divisive distortions.
Quo Vadis America?
