

Hi BRIAN,

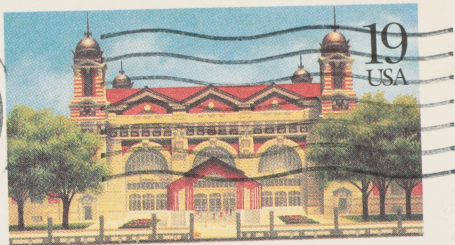

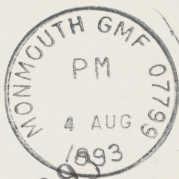

8-2-93

I really enjoyed your Interview with the  
Author of "Hardway". I am a recent convert  
to watching C-SPAN and I enjoy it  
very much. There is only one complaint  
I have and that is that I cannot  
afford to buy all the Books that  
you feature on "Booknotes -

Thanks again for C-Span

Sincerely
