Dear Mr. Lamb:-

As an ardent fan of C-Span 1 and 2, over many years, I am at a loss over your decision to forgo the evening and week-end followings of the House and Senate Committee hearings regarding the Burton Committee, in particular, and other hearings having to do with the investigations of the Clinton administration. It appears your book interviews have obliterated your constant coverage of the House and Senate which was
(over)

your original reason for being. Yes, you
do cover some committee hearings, but to
the exclusion of others because of your present
"book review" programming.

Could you please explain the reason for
the change? I miss watching C-Span
on the week-ends, due to the change. Have
you heard from other fans, also?

Hoping to hear from you soon.

Most Sincerely,

I do hope C-Span
is not showing bias, also.
