Bryan Lamb.

your show
the other night with Mr
Greenberg from ARKANSAS,
& the 2 liberal reporters
was really a disgrace.
The audacity of those 2
snotty nosed "High School
Kids" to ridicule a man
who risked his life as a
pilot, to give these 2
the freedom to speak out
& criticize others & then to
for them to back & make
excuses for a coward &
draft dodger, they should hang
their heads in shame, Bryan
where do you get these drips.

you said you dont
know why you can't get
any pro Bush reporters to
come on your show - I'll
tell you why -

There aren't any!

There is not a college in this country that teaches conservatism - There is nothing but lying liberals that swarm out of the colleges.

Look @ your liberal anchors - TV shows - Radio shows Washington week - McNEIL HOVE you name them + then watch them - doesn't that scare the hell out of you - it does us - Do what is right - there are a few level headed conservatives ~~on one~~ ~~one~~ one can count on one hand, + balance your show - If you want your show to last - if you dont, we the audience can close it for you.
