

7-26-96. Your 'Democratic', 'Republican' & 'Other' call-in lines are a joke. Today, 1 D., 4 R., & 2 O. calls were received. The "Other" calls savaged Clinton so lets call it 6 to 1. (Review the tape)

This is about the same ratio as Newspaper Roundtable, which is why it no longer watches it. Also, Susan read 3 faxes - 2 Pro-R and 1 silly Pro-D poem. This is equal time? Day after day the Dictators call to complain about divided phone lines. Why? your screeners & commentators are not 0-W enforcing your balanced program (so-called) so the right-wing continues to prevail. We may not know Brian's political persuasion, but we know Susan. She wears her elephant well.
