By FRANCES DRAKE

You born today: Compassion and empathy are your strengths, but make sure that others are worthy of your special attention. You have an exceptional capacity for social tolerance and warmth, but be careful to not be too self-sacrificing along the way. Your intuition is incredible, and you see things that others miss. Birth date of Michelangelo, artist/sculptor; Andrew Jackson, seventh president of the United States and the first governor of Florida; Judd Hirsch, actor.
