Dear Mr. Lamb-

I often remark to myself or to my husband how much I love C-SPAN. "Washington Journal," "Booknotes" and of course the special meetings you cover - just let the camera roll. Thank you for your vision, your gift of letting the light shine on the process. I think it's personal. I think you're my hero.

Sincerely, [REDACTED]

*To laugh often and love much; to win the respect
of intelligent persons and the affection of children;
to earn the approbation of honest citizens and endure the betrayal
of false friends; to appreciate beauty; to find the best in others;
to give of one's self; to leave the world a bit better,
whether by a healthy child, a garden patch
or a redeemed social condition; to have played and laughed
with enthusiasm and sung with exultation; to know
even one life has breathed easier because you have lived
...this is to have succeeded.*
