Re: Book notes

Dear Mr. Lamb:

This is in regard to the author that you interviewed on book notes Sunday February 6. I enjoyed his remarks very much. I failed to write down his name and the title of his book. I remember only that he worked for the Washington Post.

Can I trouble you to send this information, please? I really enjoy C Span. I am 78 years old and C Span keeps me abreast of what is going on in the Congress and else where,

Sincerely,
