

October 9, 1993

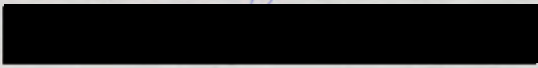

Dear Mr. Lamb:

My husband and I had the pleasure of attending a "Close Up" program September 18 - 25. It was a most memorable experience.

We commend all people ^{who} staff this organization and all those who support it. Our learning experience was inspiring to us, and enthusiasm for "Washington DC" was contagious in the entire group.

We wish to thank C-SPAN for its participation in sponsoring this fine program.

Most sincerely

West allis WI 53219
