

(1)

To whom it may concern:

It is 930pm (PST) "Super Tuesday" whatever the hell that's supposed to mean... Anyway, I happened to tune into C-span some body was taking calls from viewers. A man called in from Lowell Massachusetts vowing to send JERRY Brown money he had saved to buy a pair of shoes? He stated that Jerry Brown was the Mission we have been looking for! I was waiting for an whatever. I was touched. So much so. that I'd be willing to not only buy this man a pair of shoes BUT - take my time and donate it to helping this Jerry Brown. Candidate make his home in the White house. come 1993!

If a gentleman is willing to give the money he saved to buy a pair of shoes to a candidate for President then that man OBroosty deserves to be President.

Politics is Bullshit as far as I'm concerned
Money buys Anything I know; trust me.

That's the whole problem in this country
Money - Power - Power. Money - Money -
Like politics; its Bull ca ca.

You give me 5 guys who can play Basketball as a Team; and I'll give you an NBA TITLE. You give me 100, 1000, 10,000 100,000 1,000,000 people who know one person And I'll put a frog in the white house.

People ARE Power! This Country may indeed need this "Jerry Brown" because it cries silent tears and no one seems to care except this guy from Lowell, Mass
↓ (over)

who called in and said he was
saving \$ to buy a pair of shoes. But he is going
to send it to Jerry Brown.

Unreal. Am so touched, I had
to drop you a line or two, or three or four ☺

I just changed to Channel 4 and I'm
listening to Tom BROkaw? whatever his name is
he is giving the results of the states
10% - 60% etc... listing the candidates.
how they did etc. He needs to realize that
any idiot can detect his bias.... Giving the results.
he quote "Clinton 70% Tsongas 18% Jerry Brown
only single digit. Come on. Tom Give me a
Break. Wake up. If I wanted the scores
on a Basketball game that's what I want not
100 to JUST 84 - Do the News Keep opinions
to yourself. "Pine tree in a Desert?" re: Clinton.
What does that have to do with the price of Tea in China...

News people crack me up. They think when
people watch the news they focus on the Newscaster
wrong. A Robot can give the news -

Newscasters have to realize that the mannerisms
they display often "Sway" That's a NO NO - Give everyone
a fair shake. Because that's the right thing to do -
Tom BROkaw ??? (Ch 4) interviewing Quayle reminds
me of two old ladies gossiping.

Maybe this guy in Lowell Mass. is my impetus
to put Jerry Brown in the White House! But you know,
maybe he's ABOVE the White House? Maybe Brown deserves
better? whatever that may be?

Politics, Politics, Politics, what is it?

A guy makes a play for girl
He gets the girl - then what??
Politics?

Maybe this Country needs 6 presidents? Look at Bush
old "Skull & Bones". Look at the Economy -

Look at the streets. DRUGS, CRIME,
pollution etc.

TV. 500+ lines infecting the
synaptic interactions of each & every one
of us!

People turn on the tube, and
that's reality. Sad.

Broadcasters - The Average "Joe"
can see through your Bullcrap. So Be careful
tell it like it is - Keep your opinions
to yourself & do your job. Otherwise a robot
will take your job!!

Hell hi tired when I get home.
I don't need to listen to ephemeral
Bullshit from ego maniac newscasters!

Let these candidates do their own
thing on TV. Give them their own Time
Don't feed your ideological inadequacies
into the minds of people who watch TV.

You can't do it. They are NOT Dumb!

Brown, Clinton, Tsongas,
Bush. 'it doesn't matter' who
the president is. But hell, give everyone
an even Break.

I'd like to hear more about Brown
Give the guy some AIR-Time

Well, if some guy is going to send
him his shoe & money. I want to know
who Jerry Brown is!

Just to let you know - I could care less
about the election, hi from London and my
childhood friends are Rothschilds! We know
about \$\$ - People are unpredictable!! that's exciting!
GO BROWN !!!

The interview @ 10⁵⁰ pm Between Tom Brown
and Jerry Brown was humorous. But very
interesting - I can see why this person
from Lowell, Mass. (Tsongas' home land) wanted to
give 'his shoe \$ to Brown!

MR. Jerry Brown speaks from the
heart. That's one thing I can feel
about people; having the money I have,
and knowing the people I know
of read people.

This man with a Blue Jacket from
the auto workers with a Turtle neck Jersey
who gave an 800# 1-800-426-1112
is a man that is going to be your next
President. IF the people get Behind him!

In unity, there is Strength →

5 guys in synch on a Basketball Court
are untouchable.

1 man with a million + people.
= Behind him is tough to stop.

I called the 800#!! Nice people.

I'll tell my friends, who will tell
their friends etc. etc.

I like this Jerry Brown.

I like the man who called me
from Lowell, Mass. who wanted
to send in his shoe \$....

I like America and I only wish
Americans would get together and help
each other out

I read the story of the Wintersoldier
and I can imagine how George Washington felt
when that one Soldier got up and everyone else
followed. God Bless America And
Good Luck Jerry Brown.
