

Dear Mr Lamb,

O. BPL

We are retired now so we watch TV more & there is NO ONE like you. Of all interviewers you ask the best questions with the best tone & following info!

When you came to Gr. Rps. Mich last week, the reporter from the Grand Rapids Press, John Douglas covered you & then gave a whole column to his wish to be like you, & that's a real compliment because he is totally OPPOSITE. So THANKS
