Dear Mr. Lamb, (Brian)

I have so enjoyed your 'book'
conversations with Mr. Thomas Keneally.
(The Great Shame) (volumes I & II)

I do hope to send for either the
video or transcript of both programs.

I am so glad the truth of the so-called
'Famine' is out & about. Actually,
it is called the 'Irish Holocaust' - &
Mr. Christopher Fogarty & his wife
Mary have devoted their lives to
correcting the British lies.

It is truly a great shame that the Brits
have been permitted to lie w/ impunity
for centuries about the Irish & the Chinese.

It is what Mr. Fogarty calls - "The British
Right to Murder Irish Catholics" (and also the
Chinese)

Please continue on w/ your great work in
enlightening the American Public -
this is so very important for the future
of our beautiful country.

Also - Please invite Mr. LaRouche
to debate on C-SPAN - or C-SPAN H.
(He is on the ballot for President of the U.S.) P.D. →

Thanx so very much ...

Very truly yours

(Mrs.)
