

As a viewer of C-SPAN,
I hope you will be
televising H. R. 730 "The
Missing Service Personnel Act."

I wish your station
would give much more air
time to this issue. I don't
think I have ever watched
an all P.O.W./M.I.A. issue
on your station.

Also I am interested
only in seeing real guest
with solutions and answers,
Not some bureaucratic
gov. or organization. I've
been listening to them for years.
