Boy, is W Bush Jr. sneaky! "People
For the Am. Way" is a Seberal
Org. but you never described it as
such. The minute I heard fear,
I knew it was. What a fraud -
The name of the Org. is very mis-
leading - their Am. Way is not
my Am. Way. She talks about
the far right - she's from the
far far left. Steve - the only
time you read anything about
Repub. is when it's anti - Repub.
Where was Krauthammer yester-
day? The ad you put on for Carol
was very partisan - why doesn't
she tell the ~~whole~~ truth. Dishonesty is
ok as long as it's on the Dem. side.
She's like Cliff & lots of others. What
Clinton did is very important to
honest Americans - not to Carol!!
Steve - you are so prejudiced to the
Left!! God constantly have taken shots
at Congress. Carol is against Impeach-
ment fearing when it comes to her
Pres. W Bush Jr. makes sure the Sebs
are heard. Carol says it ok for Clinton
to mix Religion & Politics! She lies when she
says Chr. Gal. put out lies about her and her.
