To: The Representatives of George Bush
you 'slaves' of the 'Right Wing' are
your service to the Nation is
a 'joke', a joke that is costing
the Nation significantly.

It is amazing how the
'Democrats' and America as
a Nation can accept such
sad & ridiculous programming
daily.

All I saw doing the brokes
of Clarence Thomas's
Sen. Dornforth and his clowns,
lying clowns, yet you
(C-SPAN) put of the President
of Planned Parenthood, not one
dam word from Mr. Dan
Dan Angry and so should
many other people in America
